Jupiter Grades

Have you been checking your child’s progress on Jupiter grades? Since we have begun using this system, parents have been very happy overall. There are a few glitches that we are addressing, so please be patient with us as this is new for everyone.

Reminder for Parents of Sixth Grade Students

Each year the Health Department reassesses the immunization status of all sixth grade students. As of this date, a number of our sixth grade students are incomplete. Parents of these students received a letter at the beginning year parent meeting informing them of what immunizations are lacking. It is very important that these be completed soon. Students may be excluded from school if the records are incomplete. Please be sure to take care of this within the next 2 weeks and return the results to the school office. Thank you.
